

**Dear Community Partner:**

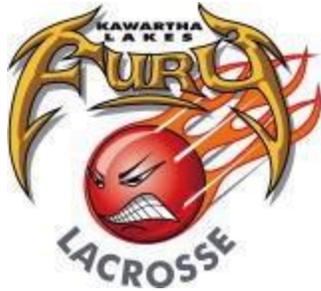

Kawartha Lakes Minor Lacrosse Association, founded in 2005, offers lacrosse programs for boys and girls ages 3 – 18. Our main goal is to foster the love of the game while building positive memories and life skills. We are a volunteer, not for profit organization promoting the development and opportunity to grow the game of lacrosse within the City of Kawartha Lakes. The Board of Directors, coaches, and volunteers, are committed to mentoring the best lacrosse experience possible. While our association has commitment through players, and parent volunteers, we must rely on outside funding sources to sustain and grow our lacrosse programs. Sponsorship is very important for a small organization and is a vital role in the development of our minor lacrosse program. Our association is very grateful to the community for the help in the past years, and your ongoing support.
